

SHANKARA GOUDA

Ambitious and detail-oriented MCA Student | Software Developer | AI & Data Analytics Enthusiast
☎ +9148209559 ✉ oxyshankar@gmail.com 🐙 GitHub 🌐 LinkedIn 📍 Bangalore, India

PROFESSIONAL SUMMARY

Motivated MCA student and Computer Science graduate with a strong foundation in **Software Development**, **Artificial Intelligence**, and **Data Analytics**. Passionate about building intelligent applications using **Python** and **Machine Learning**. Experienced in developing academic projects involving fraud detection and AI-driven solutions, with skills in problem-solving, algorithm design, and database management. Seeking an opportunity to contribute technical expertise and innovative thinking in a dynamic IT environment.

EDUCATIONS

Dayananda Sagar Technology and Management Bangalore <i>Master's in Computer Applications (MCA)</i> PGCET Rank: 2858	2025-07 - 2027-07
Bangalore University Bangalore <i>Bachelor of Science (Computer Science & Physics)</i>	2022-07 - 2025-07 CGPA : 8.2/10

PROJECTS

Smart Waste Exchange and Recycling Portal 🐙 Github - Developed a full-stack web portal enabling users to exchange and recycle waste materials with real-time updates. - Implemented secure user authentication, relational database schema, and WebSocket-based live notifications. <i>Technologies / Tools Used : Python, FastAPI, SQL, WebSocket, REST API, HTML, CSS, js</i>	Apr 2026
HireMeAI – Personal AI Portfolio & Resume Chatbot 🐙 Github △ Vercel - Built a personal portfolio website showcasing projects through visual galleries, along with an integrated AI chatbot. - Developed a chatbot that reads and parses the resume to answer visitor queries on the user's behalf in real time. - Used Supabase as the backend database for storing project, chat, and portfolio data, deployed on Vercel. <i>Technologies / Tools Used : Python, React, Next.js, Node.js, Supabase, AI Chatbot Integration, LLM</i>	Jul 2026
Panufacturing Predictor ML 🐙 Github - Built a Machine Learning web application predicting manufacturing output using a Linear Regression model. - Developed an interactive dashboard with real-time predictions and data visualization using Flask. <i>Technologies / Tools Used : Python, Flask, Scikit-learn, Pandas, NumPy, HTML, CSS, JavaScript, Machine learning, LinearRegression</i>	May 2026

SKILLS

Databases :	SQL, MySQL, RDBMS, MongoDB, PostgreSQL, Supabase
Frameworks & Libraries :	Django, REST APIs, Next.js, React, Flask, Spring Boot, Node.js
Languages :	English, Kannada, Telugu, Hindi
Programming Languages :	Python, Java, JavaScript, PHP, SQL, TypeScript
Soft Skills :	Teamwork, Critical Thinking, Problem Solving, Communication, Quick Learning, Leadership, Attention to Detail, Time Management, Adaptability
Tools & Platforms :	Jupyter Notebook, Git/GitHub, Docker, Git, vscode, GitHub, CI/CD, Kubernetes, GitHub Actions

CERTIFICATIONS

Data Analytics Certification IPEC solutions <i>NASSCOM Foundation, Skill India & HDFC Bank Parivartan</i> Completed training and assessment in Data Analytics, gaining practical knowledge in Excel, SQL, Data Visualization, and Business Analytics.	May 2025
Google Cloud Agentic AI Day – Certificate of Participation <i>Google Cloud & Hack2Skill</i> Participated in Agentic AI Day and submitted an AI-based solution for the Agriculture sector, exploring intelligent agents and AI-driven decision-making.	Nov 2025
Programming Using Java <i>Infosys Springboard</i> Completed training on core Java programming concepts, object-oriented principles, and application development.	Jun 2026
Python Programming <i>Dell Technologies</i> Completed training in Python programming fundamentals, data structures, and application development.	Dec 2025
TechA AWS Certified Developer Certification <i>Infosys Springboard</i> Trained in developing, deploying, and debugging scalable cloud-native applications on AWS.	Jun 2026
TechA AWS Solution Architect Certification <i>Infosys Springboard</i> Trained in designing secure, scalable, and cost-effective solutions on AWS cloud architecture.	Jul 2026

AWARDS & ACHIEVEMENTS

Awarded **3-Star rating** on HackerRank in **Java and Python** for problem-solving skills.
